

CARUS 114

WELCOME TO THE WORLD OF SAUTER SOUND

Experience the clarity and expressive power of the Carus 114 – a piano designed for discerning beginners who appreciate tonal culture, aesthetics, and quality.

EXPERIENCE THE CLARITY OF TRUE PIANO TONE

The Carus 114 is designed for discerning individuals who are learning to play the piano and wish to continuously develop their skills. Compare its tone with your personal sense of sound – you will be amazed at what this piano has to offer in its class. Like all our instruments, the Carus 114 is crafted entirely in our manufactory in Spaichingen.

FORMIDABLE DETAILS

The Carus 114 features a soundboard made of select-grade mountain spruce, and even this class offers you the advantages of the unique soundboard enhanced with the „SAUTER spherical concavity®“. It is also equipped with casters and a practice (moderator) pedal.
