

CHIPPENDALE 160/185

SONOROUS CRAFTSMANSHIP

A masterpiece of craftsmanship: Fine woods, artistic carvings and the finest materials give the Chippendale grand piano its unmistakable elegance. Warm, colourful sound and modern features combine to create a unique instrument of timeless beauty and tonal perfection.

HAND-CARVED

Noble shapes, precious woods and lovingly handcrafted carvings give these grand pianos their unmistakable personality. Every detail is individually crafted and finished by experienced master craftsmen – making each instrument a unique work of art.

NUANCED SOUND AND NOBLE APPEARANCE

The sound board made of the finest spruce forms the heart of the sound and ensures a warm, colourful tone. Special hammer heads enable precise and nuanced sound design, while sharps made of precious wood underline the noble appearance.

EXCLUSIVE DETAILS

Sostenuto pedal, lid prop made of solid maple for even greater brightness of sound, hydraulic damper of the fallboard and a comfortable music stand with convenient 'single-handed' operation, the Chippendale combines traditional craftsmanship with modern functionality. Carved feet and lyre, individually designed by hand, make each grand piano a unique masterpiece.
