

COMPETENCE 130

RESONANT AND PRECISE

Experience the vibrant sound of the large soundboard and the grand-piano-like touch made possible by the RR action. The Competence 130 inspires musicians and fills rooms.

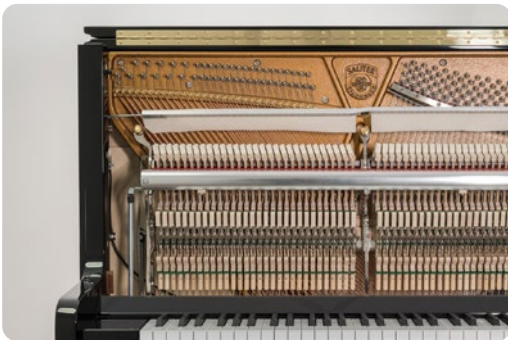

NUANCED TONAL EXPRESSIVITY AND TOUCH

The large sound board with the „SAUTER spherical concavity®“ sounds the highest frequencies and overtones, while the classic cabinet lends the bass a rich, resonant depth – for an unparalleled aural experience.

Only in SAUTER pianos: the RR grand action developed by SAUTER, an exceptionally dpeCombined with a finer string scale, it creates a harmonious tonal progression from treble to bass.

MORE ROOM FOR SOUND

The larger soundboard transforms the rich tonal volume of the Competence 130 into a vibrant experience. Thanks to the optimized leverage of the action, every nuance becomes tangible – for a clearly expressive performance.

FORMIDABLE DETAILS

The Competence 130 features a double repetition action and a practice (moderator) pedal. It is also equipped with a lock, double brass casters and hydraulic fall damper.
