

COSMO 116

BALANCED SOUND IN FUNCTIONAL CLASSIC DESIGN

The Cosmo 116 captivates with powerful tonal range,
a sparkling sound, and timeless elegance.

GREAT VOLUME AND CLEAN LINES

The Cosmo 116 impresses with an exceptionally wide tonal range for its class. Its sparkling, well-balanced sound and remarkable tonal maturity turn every performance into an experience. The angled top lid and precise cabinet construction emphasize its clean, classic lines.

FORMIDABLE DETAILS

The unique „SAUTER spherical concavity®“ in the sound board ensures a well-balanced tonal palette, which is aided by the tonewood of the mountain spruce. This wood is stable and yet elastic for a wide tonal spectrum. The Cosmo 116 is also equipped with a lock, double brass casters and a practice (moderator) pedal.
