

MASTER CLASS 130

THE CONCERT UPRIGHT PIANO

The SAUTER Meisterklasse 130 combines elegant design, precision piano craftsmanship, and high-end features, offering grand piano quality in an upright format. Considered by many to be the world's finest piano.

FOR THE HIGHEST STANDARDS

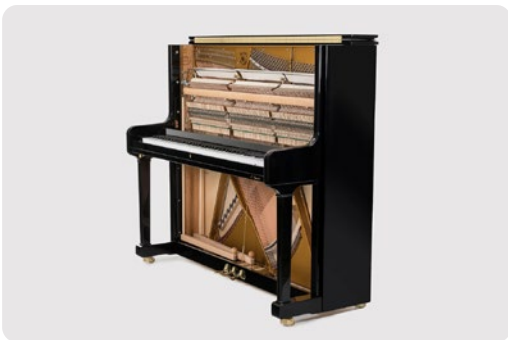

The Master Class of concert pianos impresses with a high-end sound characterized by a perfect balance between a warm, rich bass and a brilliantly clear, sparkling treble. A true masterpiece of piano craftsmanship – created for pianists and music lovers with the highest standards.

A special feature is the sostenuto pedal, which is otherwise found only on grand pianos. With it, the sound of these SAUTER pianos achieves the tone of a grand piano.

ENSURING THE PROPER FEEL

The black keys made of ebony ensure a precise and comfortable playing feel. Visually, the instrument also impresses with its hand-polished cast iron plate, elegant finish, as well as the inner case and hammer rests are finished with genuine bird's-eye maple. In SAUTER's Master Class series, the finest materials, utmost precision and long tradition of craftsmanship come together.
